

**ROUND 1 – MONZA**  
**15<sup>th</sup> – 18<sup>th</sup> APRIL 2021**

**DECISION No: 30**

---

<b>From:</b>	The Stewards	<b>Date:</b>	18 April 2021
<b>To:</b>	Borusan Otomotiv Motorsport	<b>Time:</b>	11:30 hrs

---

The Stewards, having received a report from the Technical Scrutineer, having summoned the competitor's representative, have considered the following matter and determine the following:

**No. :** 12  
**Competitor:** Borusan Otomotiv Motorsport  
**Time (fact):** 20:15 hrs  
**Session:** Race 1  
**Fact:** Car 12 was weighed after the race and a weight of 1481.5 kg was recorded.  
**Offence:** Alleged breach of article 28.2 of the GT4 Sporting Regulations.  
**Decision:** **No further action**  
**Reason:** The Stewards heard from the competitor's representative and then the Technical Scrutineer. The technical report no. 8 stated that the weight of car 12 was recorded as 1481.5 kg compared to the BOP and added driver weight of 1483kg. Following questions by the Stewards, the Technical Scrutineer confirmed that the car had been weighed three times and each recorded weight was below the specified minimum. The car was also weighed on the official GT3 scales and again was noted as being under weight. The Stewards asked for sight of the technical data for the scales, which, when produced indicated that for any weight taken, a tolerance of +/- 0.1% should be applied. With this tolerance applied, the recorded weight, when rounded to the next single decimal point, gave a weight of 1483kg. Therefore, there was no clear evidence that car 12 was underweight and so no further action was required.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code, within the applicable time limits.
