

DECISION No: 1

From:	The Stewards	Date:	19 June 2021
To:	Sainteloc Junior Team	Time:	08:10 hrs

The Stewards, having received a request from the competitor have considered the following matter and determine the following:

No. : 21

Competitor: Sainteloc Junior Team

Session: Practice 1

Fact: The competitor has notified that car 21 has been replaced due to terminal damage to the electronics of car 21 as a direct consequence of water ingress whilst waiting in heavy rain for the start of Practice 1.

Offence: Breach of Article 40 of the GT4 Europe Sporting Regulations. Request in accordance with Article 30.8 of those regulations.

Decision: **There will be no penalty for the change of car 21.**

Reason: Car 21 suffered a complete failure of its electrical system due to rainwater ingress. This occurred whilst the car was standing in the pit lane during the heavy rain on Friday 18th June 2021 which led to the cancellation of the Practice 1 session. As this took place before the official qualifying session, the Stewards permit the change of car without penalty.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code, within the applicable time limits.
